The Crystal Palace Monthly News

The Red Classroom
Teacher: Ms. Danielle

For the month of March the 5 year olds will be starting a NEW CURRICULUM to better prepare them for kindergarten.

The Theme is "I'm Special" the purpose is to help the children develop a positive sense of self as they discuss their feelings, learn more about their senses, and acquire new skills and concepts.

They will also be working on the letters: M, P and T, numbers: Sets 1-5, Patterning, shapes: Circle, Triangle, Rectangle and Square, Nursery Rhyme "Peas Porridge Hot"

The Yellow Classroom
Teacher: Ms. Airickia

Dear Parents;
During the month of March, the 2 year olds will be building on pervious topics by comparing places, vehicles, and animals found in cities or the country. We'll be focusing especially on those in our own location, but talk about ways other places are the same and different. Throughout the experiences, your child will be building a variety of concepts and skills, including shape and color recognition, language and literacy development, thinking skills and more.

The Blue Classroom Teacher: Ms. Tameka

Dear Family;

Understanding geographical concepts begins with a child's ability to notice, examine, and think about his or her own environment. Spend some time with your child talking about the community in which you live. It is a busy place or a quiet place, a small town or large city? What features distinguish it from other places? Are there mountains, hills, beaches, or lakes?

Show your child a map of your community and talk about the symbols in the legend. Explore what a legend is and does. Which symbols represent roads? water? parks and other recreational places? Are there any other symbols on the map?

EXTRA! EXTRA! READ ALL ABOUT IT:
Dear Parents,
Please make sure your child is at school by 9:00 a.m. so they will be able to eat breakfast with their classmates and be ready to start the day out right and on TIME!

This Month's Highlights

Scholastic Magazine *Let's Find Out*
